Enjoying time with God

Wednesday 4th November 7.30pm

Do you find it hard to read your Bible and pray? Does it feel like another job to do? Do you open your Bible and not even know where to start? Have you been a Christian for many years and feel like your quiet time has gone a little stale? Do you long for more of Jesus?

If any of these questions resonate with you, then come along to this Central Teaching Evening!

Join us as we ask:

WHAT IF THERE REALLY WAS GOOD NEWS?

Christianity Explored

Courses starting in September

Many of us are looking for good news in a dark world. Christianity Explored is an informal series of seven sessions for those who would like to look into the Christian faith - which claims to be the good news we're looking for. It explores who Jesus was, why he came, and what it means to follow him.

You will not be asked to pray, sing or read aloud, and you are free to ask any questions you like. If you prefer, you can just come along and listen.
