CHILDREN'S LIBRARY

Christian books are a wonderful way to help children and young people grow in their knowledge and love of the Lord Jesus. We'd love to start a lending library at St Simon's to make good Christian books more accessible for families.

We've been very grateful to receive a donation of £100 in 10 of those credit, but we still need around £150 to help get the library up and running. **Would you please consider supporting this initiative?** That could look like making a financial donation or by donating good-quality Christian books for children that you no longer need. If you'd like to find out more or would like to support the lending library, please speak to Daniel Armond.

A BIG THANK YOU

We had a lovely time celebrating 50 years of David Towler's ordination recently. **David has asked for the following message to be passed on to everyone:**

"We are so thankful to the church family for all that was done to mark David's Golden Jubilee of Ordination. For the special anniversary cake, the flowers and for the card signed by a good number of church members and for the gift voucher for a meal at the Rufford Arms. In addition for cards and gifts we have received. It was capped by two services where Andy interviewed us about David's perceived call to be ordained and encouragements we had received and situations and people for which to be thankful. We have been truly blessed by the Lord throughout this time as He has been alongside us throughout in all situations. To God be the glory!"
